

## 14.1 Notice of Motion – Councillor Andrew Bond – Banff Outdoor Parklet on Fitzroy Street

---

### **Question from Councillor Katherine Copsey**

Some of the comments from the public this evening were about impacts that the parklet is having on parking occupancy. Is there existing enforcement in that area specifically? If we are not doing enforcement would officers consider increasing enforcement to improve parking availability?

### **Response:**

Parking patrols occur regularly on Fitzroy Street and enforcement action is taken on any vehicles witnessed to be parking illegally.

Officers will continue to patrol this location and take enforcement action when appropriate.
