Submit application

This form and supporting documents must be submitted via email or by mail.

Receive your invoice

Once your application is processed you will receive an invoice. Allow five business days for a decision.

Read before starting

A permit must be obtained before working outside construction hours.

Applicants must provide a minimum of 2 clear business days notification to the occupants of all premises, within a minimum 25m radius of the location of works. If a notification list has been provided by Council, all addresses must also be included.

Indemnity

The Permit holder agrees to indemnify and to keep indemnified, the Council, its servants and agents, and each of them from and against all actions, costs, claims, charges, expenses, penalties, demands and damages whatsoever which may be brought or made or claimed against them, or any of them, in connection with the Permit Holders performance or purported performance of its obligations under this Permit and be directly related to the negligent acts, errors or omission of the Permit Holder. The Permit Holders liability to indemnify the Council shall be reduced proportionally to the extent that any act or omission of the Council, its servants or agents, contributed to the loss or liability.

Application requirements

The notification must include: The date and hours of works occurring, the nature of works to be performed, the licence reference, contact name and mobile number for the permit-holder and/or site manager. Applicable fees will be invoiced on receipt of your application.

Works to be performed. Please be specific.

What equipment will you be using?

How many staff/contractors would be required?

Why do the works need to be done on outside permitted construction hours of 7am to 6 pm Monday to Friday, and 9 am to 5 pm Saturday? Permits are only issued where absolutely necessary.
