

Councillor Question Time

Question from Councillor Clark:

In relation to the barefoot cinema, can Council officers advise what consultation was undertaken with residents and whether they were made aware that Council was going to be putting a cinema in the Botanical Gardens?

Response:

Council officers consulted with internal and external stakeholders such as the Parks and Open Space teams and Local Police - all were supportive of the cinema in the Botanical Gardens. A letter drop was done to local residents to notify them of the event. Council officers do not do community consultation for each of our events as we are guided by our Events Strategy and Policy and a 3-week event would not trigger this.
