SPECIAL MEETING OF THE PORT PHILLIP CITY COUNCIL- 8 JUNE 2021

Welcome

Welcome to this Special Meeting of the Port Phillip City Council.

Council Meetings are an important way to ensure that your democratically elected representatives are working for you in a fair and transparent way. They also allow the public to be involved in the decision-making process of Council.

About this meeting

There are a few things to know about tonight's meeting.

Only the items specified in the agenda will be considered unless all Councillors are present and unanimously agree to include another matter on tonight's agenda.

Each item has a report written by a Council officer outlining the purpose of the report, all relevant information and a recommendation. Council will consider the report and either accept the recommendation or make amendments to it. All decisions of Council are adopted if they receive a majority vote from the Councillors present at the meeting.

Public Question Time

There is no opportunity at this meeting for the public to ask general questions unless the Chairperson determines otherwise.

Hearing of Budget Submissions

Any person who has made a written submission on an item pursuant to section 223 of the Local Government Act and requested that she or he be heard in support of that written submission will be entitled to address Council and / or ask a question. Any other public comment at this meeting is at the discretion of the Chairperson.

If you would like to address the Council at the Special Meeting of Council (hearing of budget submissions), you must submit a request to speak no later than 4pm on 8 June via Council's website:
